### Note

<sup>1</sup>Returns are based on NAV-NAV basis in HKD and assuming all dividends are reinvested net of all charges payable upon reinvestment. Performance is calculated in the base currency of the Fund.

<sup>2</sup>For the latest list of Participating Dealers, please refer to [www.lionglobalinvestors.com](http://www.lionglobalinvestors.com)

<sup>3</sup>If you wish to use your Supplementary Retirement Scheme ("SRS") monies to purchase Units in the Fund on the SGX-ST, you should check with your broker or SRS operator on the procedures.

<sup>4</sup>Distributions are not guaranteed and may fluctuate. Past distributions are not necessarily indicative of future payments. Distribution payouts and its frequency might be changed at the Manager's discretion and can be made out of income, capital or both. Any payment of distributions by the fund may result in an immediate reduction of the net asset value per share/unit. Please refer to LGI website for more information on the income disclosures.

<sup>5</sup>Weights of each holding may exceed 8% in between the rebalancing of the Index in March, June, September and December of each year due to market movements. The weights of each Index constituent will be rebalanced to within 8% at the next rebalancing date.

Negative cash equivalent is contributed by various factors such as cash balances, expenses, forward/spot FX, payables and receivables. (If applicable.)

## Disclaimer - Lion Global Investors Limited

This advertisement or publication has not been reviewed by the Monetary Authority of Singapore. It is for information only, and is not a recommendation, offer or solicitation for the purchase or sale of any capital markets products or investments and does not have regard to your specific investment objectives, financial situation, tax position or needs.

You should read the prospectus and Product Highlights Sheet of the Lion-OCBC Securities Hang Seng TECH ETF ("ETF"), which is available and may be obtained from Lion Global Investors Limited ("LGI") or any of its distributors and appointed Participating Dealers ("PDs"), for further details including the risk factors and consider if the ETF is suitable for you and seek such advice from a financial adviser if necessary, before deciding whether to purchase units in the ETF.

Investments in the ETF are not obligations of, deposits in, guaranteed or insured by LGI or any of its affiliates and are subject to investment risks including the possible loss of the principal amount invested. The performance of the ETF is not guaranteed and, the value of its units and the income accruing to the units, if any, may rise or fall. Past performance, payout yields and payments, as well as, any prediction, projection, or forecast are not necessarily indicative of the future or likely performance, payout yields and payments of the ETF. Any extraordinary performance may be due to exceptional circumstances which may not be sustainable. Dividend distributions, which may be either out of income and/or capital, are not guaranteed and subject to LGI's discretion. Any such dividend distributions will reduce the available capital for reinvestment and may result in an immediate decrease in the net asset value of the ETF. Any references to specific securities are for illustration purposes and are not to be considered as recommendations to buy or sell the securities. It should not be assumed that investment in such specific securities will be profitable. There can be no assurance that any of the allocations or holdings presented will remain in the ETF at the time this information is presented. Any information (which includes opinions, estimates, graphs, charts, formulae or devices) is subject to change or correction at any time without notice and is not to be relied on as advice. You are advised to conduct your own independent assessment and investigation of the relevance, accuracy, adequacy and reliability of any information or contained herein and seek professional advice on them. No warranty is given and no liability is accepted for any loss arising directly or indirectly as a result of you acting on such information. The ETF may, where permitted by the prospectus, invest in financial derivative instruments for hedging purposes or for efficient portfolio management. **The ETF's net asset value may have higher volatility as a result of its narrower investment focus on a limited geographical market, when compared to funds investing in global or wider regional markets.** LGI, its related companies, their directors and/or employees may hold units of the ETF and be engaged in purchasing or selling units of the ETF for themselves or their clients.

The units of the ETF are listed and traded on the Singapore Exchange Securities Trading Limited ("SGX-ST") and may be traded at prices different from its net asset value, suspended from trading, or delisted. Such listing does not guarantee a liquid market for the units. You cannot purchase or redeem units in the ETF directly with the manager of the ETF, but you may, subject to specific conditions, do so on the SGX-ST or through the PDs.
